Dearest Pupils and Association Guests,

Happy "New Birth" (See Mis 15-20) — timeless unfoldment of spiritual good!

As we begin a new calendar year, let's continue to implement **WHY** and **HOW** we are "Practicing 'Hearts and Lives for God/Spirit'". Let's get inspiration from our heart's commitment to God and our prayerful communing and listening. Let's glean revelation and direction from earnest study of our treasured Bible and textbook. Let's witness fruition and fulfillment from our humble, consecrated work. Let's trust our dear Father-Mother Love to inspire, illumine, designate, and lead the way.

Let's open the door by enjoying 2 very helpful programs from the archives of *Sentinel Watch*:

[Prayer: What's it all about? \(Part one, encore\)](#)
[with Bob Cochran](#)

[Prayer: What's it all about? \(Part two, encore\)](#)
[with Deborah Packer](#)

I also invite you to revisit our Bible Lesson on "God" (attached) with the allness of God/Spirit in thought. This sentence in Section 5 encapsulates and epitomizes it:

How can there be more than *all*? (S&H 287:16)

"All" means **ALL!!!** Let's strive to REALIZE what that really means. There can be **NOTHING** except what God causes — **NOTHING!!** — no other cause, no other power, no other law, no other mind, no other reality. And since God made EVERYTHING "very good (Gen 1:31), there can be **NOTHING EXCEPT "VERY GOOD"**. We **KNOW** it and know we **CAN'T NOT** manifest it since the allness of God governs **ALL** — **NO EXCEPTIONS!**

Also attached are more ways to keep God's allness in our thought and life.

Much love to you as we go *UP*ward and *ON*ward glorifying God,

Rosalind
